

Safeguarding Adults - Risk, Risk Assessment and Management

Full Day Course

Who should attend?

This course is for anyone working with adults at risk and who would be required to undertake assessment. For further information email: safeguarding_training@durham.gov.uk

Aim

To enable participants to understand what 'risk' is and how to bring risk assessment and safeguarding strategy action planning together to form a comprehensive plan that is both protective and preventative.

Outcomes

For participants to:

- Recognise what we mean by risk and risk management
- Create assessments that contribute toward the protection of adults at risk and identify issues for concern earlier in the process
- Understand the roles and responsibilities that practitioners have in preventing abuse
- Utilise existing recording processes to create comprehensive risk management that supports the safeguarding process and ultimately the protection of adults at risk
- Utilise tools within practice that could enable further clarity for the safeguarding strategy and protection plans
- Ensure that the assessment process supports rather than impedes investigative process
- Critically analyse their assessments following the outcome of safeguarding strategies

Delivery

- Powerpoint slides
- Case studies / videos
- Form completion
- Experiential learning
- Peer discussion
- Question and answers
- Quizzes and questionnaires
- Handouts and links

Training Materials

- Copy of presentation/slides
- Forms and formats of recording
- Links
- Case Studies – press
- Handouts – Relevant policies and procedures
- Quiz to reflect on learning
- Case studies and questions
