

Watch out for Covid-19 or Coronavirus fraud

There have been 105 reports relating to Coronavirus, or COVID-19 to Action Fraud since 9th February, with total losses reaching nearly £970,000. And it is increasing:

- ! 20 reports between 9th and 29th February
- ! 46 reports between 1st and 13th March
- ! 38 reports in just four days, 14th – 18th March

What scams are Action Fraud seeing?

Phishing emails

Genuine looking to try to trick people and steal their information like:

Logins and passwords

Banking details

Online shopping Scams

Buying protective equipment

Ticket fraud

Romance fraud

Lender loan fraud

Charity fraud

Fake 'Compulsory' Coronavirus Testing

Fraudsters impersonating health and council officials

See Local Government Association's Article

Protect yourself

Watch out for scam messages

Don't click on the links or attachments in suspicious emails, and never respond to unsolicited messages and calls that ask for your personal or financial details.

Shopping online

If you're making a purchase from a company or person you don't know and trust, carry out some research first. Where possible use a credit card as most credit cards insure online purchases.

See Action Fraud's Website

Protect your devices from the latest threats

Always install the latest software and app updates to protect your devices from the latest threats.

See NCSC Website guidance on securing your devices

Be a good neighbour

People over 70, those with underlying health conditions or those self-isolating may need extra support. Where possible, use your trusted network of friends and family for help.
